are within the Social Security Administration's legal authority and not otherwise in violation of law. The Secretary of HEW further stated that he was directing the Commissioner of Social Security to continue present practices for 90 days from the date of the letter (9 May 1979) and that thereafter, the Social Security Administration will only undertake those activities that, in the opinion of the Department of Justice, are lawful. Because of the special relationship which has existed between the CIA and the Social Security Administration, there has been concern within the Agency regarding how the Justice Department would respond.

25X1A [redacted] has followed this development and on 25 July 1979 advised the Chief, Contract Personnel Division, OP, that he had been informed by the Justice Department that a reply to Secretary, HEW was being prepared and that it was favorable to a continuation of existing arrangements. (C)
